BLS Initial / Recertification

- Basic Life Support Initial and Recertification
- Cost: Free for UMC staff. $60 for non-employees
- Prerequisite: Study materials to prepare

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

Contact Person
Ruth Olsen-Cumbers, RN
702-207-8833

- The BLS class is designed to recertify current card holders every two years. The BLS Class take approximately 3.5 hours with extra time allotted for first time students. Intranet Sign-up is Mandatory. BLS books are available for purchase in the Gift Shop. A study guide is available on the Intranet > Department Tab > Clinical Education & Research page. Sign in 15 minutes before your scheduled start time. Late arrivals will not be allowed to attend the class once the door is closed. For your convenience, please use this link to access study guides:
  http://umcintranet/departments/Clinical Education.aspx
- Curriculum: Skills demonstration then written test
ACLS Prep

• Advanced Cardiac Life Support Prep
• Cost: Free for UMC employees
  $60 for non-UMC employees
• Prerequisite: None

A four hour preparation class for first time ACLS students. This class may also be used as a review class for those who need to refresh their knowledge of EKG recognition and ACLS drugs.

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

Contact Person
Ruth Olsen-Cumbers, RN
702-207-8833
ACLS Initial Certification

- Advanced Cardiac Life Support Initial Certification
- Cost: Free for UMC employees $250 for non-employees
- Prerequisite: None, BLS certification included

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

Contact Person
Ruth Olsen-Cumbers, RN
702-207-8833

- The Initial Advanced Cardiac Life Support class addresses how to assess and manage the care of the adult patient at risk for cardiac or pulmonary complications including cardiac arrest. Participant should have a basic knowledge of EKG Rhythm interpretation. A four hour prep class is available for sign up on the intranet, and encouraged for first time ACLS students. The class is done over two eight hour days. This class includes a full BLS recertification. ACLS books are available for purchase in the Gift Shop. A study guide is available on the Intranet, under Clinical Education & Research.
Curriculum: 2 days Didactic and Clinical Practice
ACLS Recertification

• Advanced Cardiac Life Support Recertification
• Cost: Free for UMC employees
  $160 for non-employees
• Prerequisite: Current BLS and ACLS certification

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

Contact Person
Ruth Olsen-Cumbers, RN
702-207-8833

• An 8 hour class to recertify ACLS. A current BLS and ACLS card are required. This class includes a full BLS recertification. Study guides are available on the Intranet > Departments > Clinical Education & Research. Class books can be purchased in the Gift Shop. Remember to bring a license number for CE certificate. Before the course, please go to the AHA website to watch the videos and complete the pre-course self-assessment test: www.heart.org/eccstudent. Enter the code "Aclsprovider"

• Curriculum: Didactic and Clinical
PALS Initial Certification

- Pediatric Advanced Life Support
- Cost: Free for UMC Employees
  Non-employee $200 (initial)
- Prerequisite: Current AHA BLS Certification

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

This classroom, video-based, Instructor-led course uses a series of simulated pediatric emergencies to reinforce the important concepts of a systematic approach to pediatric assessment, basic life support, PALS treatment algorithms, effective resuscitation and team dynamics. The goal of the PALS Course is to improve the quality of care provided to seriously ill or injured children, resulting in improved outcomes. This initial class is a 2 day class. Study materials are available on the Clinical Education page on the Intranet. Books are available for purchase in the UMC gift shop or can be ordered online.

Please bring a copy of your current BLS card and your pre-test score to class with you.

This online course is completed with an “Instructor-Led” Event. The NRP program at UMC is intended for staff caring for neonates. You must register for this class through Success Factors. In this classroom event the important concepts of NRP, the NRP algorithm, and team roles are emphasized with a series of simulated neonatal emergency cases. This is a 2.5-3 hour class. You must complete the online training first and bring your “Certificate of Completion” to class in order to participate.
Nursing Orientation
Nursing Orientation: New Hire

- New-hire Nursing Orientation
- Cost: Free for UMC Employees
- Prerequisite: New-hire processing completed

Dates Offered: These dates are assigned to newly hired personnel. Please call for any questions.

Contact Persons:
Ogonnaya Onyema, RN 702-383-7846
Dorothy Reynolds, RN 702-383-2272

Nursing Orientation is a mandatory requirement for newly hired nursing personnel. The objective of Nursing Orientation is to provide an initial assessment of newly-hired staff’s ability to fulfill specified responsibilities. Nursing orientation also provides mandatory education for nurses working in acute patient care areas of UMCSN. Nursing orientation provides an environment that fosters self-development and the continued learning, which supports, promotes and enhances the organization’s mission.
Nursing Orientation: Ambulatory Care

- Nursing Orientation Ambulatory Care
- Cost: Free for UMC Employees
- Prerequisite: New-hire processing completed

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

Contact Persons
Ogonnaya Onyema, RN 702-383-7846
Dorothy Reynolds, RN 702-383-2272

Nursing Orientation for nurses hired into ambulatory care units includes attending Day one of didactic and skills.
NURSING INFORMATICS CLASSES
New Hire McKesson EHR Day 1

- New Hire McKesson Electronic Health Record Documentation Day 1 Training
- Cost: Free for UMC Employees
- Prerequisite: Newly-hired nurses and currently employed nurses

This is an 8 hour class for new hire UMC nurses. The class covers electronic health record (EHR) charting, which consists of Horizon Clinicals (CAF, Care Organizer, HHS, HED, HEP, iForm, & HMR). Upon completion of the EHR sessions, the nurse will successfully demonstrate appropriate EHR documentation.

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

ICU Skills Fair

- Annual Skills Fair
- Cost: Free for UMC Employees
- Prerequisite: Critical care RNs only

This class provides the participant with insight and hands on for development of teaching guides for staff that can be utilized in the skills lab, at the unit level for staff competency enhancement.

Development of educational materials.

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

Contact Person
Richard Reyna, RN
702-224-7126
Pediatric Skills Fair

- Annual Pediatric Skills Fair
- Cost: Free for UMC Employees
- Prerequisite: UMC eligible RNs only

This 4 hour fair is designed for nurses caring for any pediatric patients, including Pediatrics, PICU, and Peds ER. It will consist of optional, as well as, mandatory stations, there will be plenty of opportunity for hands on applications.

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

Contact Person
Judy Fuss-Carl, RN
702-383-2775
FBCC / L&D / NICU Skills Fair

- **Annual FBCC/L&D/NICU Skills Fair**
- **Cost:** Free for UMC Employees
- **Prerequisite:** UMC eligible RNs only

**Dates Offered:** Please refer to the Intranet > ESS > eLearning or call for class schedules

**Contact Person**
Dawn Lipkin, RN
702 224-7120

The program's objective is to enhance the RN's knowledge of procedural skills necessary to provide care for patients in the Maternal/Newborn areas. Stations will include several skills and procedures, including checklist/competency.
Port-A-Cath Care Training

- Port-A-Cath Care Training; also offered at the new-hire nursing orientation

- Cost: Free for UMC Employees

- Prerequisite: UMC eligible RNs only

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

- This class will review the care of this device. For some it will be a good review and for others it will give you the confidence to work with this system.

- Class will be in Sapphire Room every other Wednesday 1:30-2 p.m.

Contact Person
Dorothy Reynolds, RN
702-383-2272
Chest Tube Care Open Lab

- Chest Tube Care Open Lab; also offered during new-hire nursing orientation or the annual skills fair
- Cost: Free for UMC Employees
- Prerequisite: UMC RNs only

Purpose: To learn initial set-up and maintenance care of patients with chest tube; to practice mock code.
Objective: For nursing staff to demonstrate the appropriate skills and competency in the care of patients with chest tube drainage

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

Clinical Education & Nursing Informatics

SURGERY CLASSES
Scrubbing, Gowning and Gloving for Healthcare Personnel

- Scrubbing, Gowning and Gloving for Healthcare Personnel
- Cost: Free for UMC Employees
- Prerequisite: RNs & other hospital staff where their jobs require this skill

This 3-hour course is designed for medical students participating in a rotation in the Surgery Department or other healthcare personnel who work in a procedural area and wish to refresh their skills. The class includes proper scrub wear, personal protective equipment (PPE) use, discussion of proper OR demeanor, differences between various masks, gowns, and gloves, demo and return demo of scrubbing, assisted and unassisted gowning and gloving, and sterile exam gloving.

Dates Offered: Please refer to the Intranet > ESS > eLearning or call for class schedules

Contact Person
Ren Scott, RN
702-383-7326
OR Orientation for Students

- OR Orientation for clinical students (paramedic, surgical tech, nursing, medical, & radiology)

- Cost: None

- Prerequisite: Over 18 years of age in a contracted/approved educational program

Dates Offered: By appointment ONLY

- This 1-hour course is designed for clinical students participating in a rotation in the OR. The class includes proper scrub wear, a department tour, personal protective equipment (PPE) use, discussion of proper OR demeanor, fire safety, and the eyewash station location. This class is mandatory for non-employee personnel.

Contact Person
Ren Scott, RN
702-383-7326
OR Orientation for Contractors

• OR Orientation for Contractors

• Cost: None

• Prerequisite: Non-employee Contractors

This 1-hour course is designed for contractors and other healthcare professionals working in the OR. The class includes location of scrubs/locker rooms, a department tour, fire safety, eyewash station location, and locations of PPE. This class is mandatory for non-employee personnel.

Dates Offered: By appointment ONLY

Every other Thursday after UMC Associate Training from 0900-1000, meeting at the UMC Badging Office

Contact Person
Ren Scott, RN
702-383-7326
OR Orientation for Non-Physician Observers/Students

- OR Orientation for Non-Physician Observers/Students
- Cost: None
- Prerequisite: Non-Physician Observers/Students over 18 years of age

This 1-hour course is designed for non-physician observers/students participating in a clinical observation in the OR. The class includes proper scrub wear, a department tour, personal protective equipment (PPE) use, discussion of proper OR demeanor, fire safety, eyewash station location, and the differences between various masks. This class is mandatory for non-employee personnel.

Dates Offered: By appointment ONLY

Contact Person
Ren Scott, RN
702-383-7326
New Resident OR Orientation

- New Resident OR Orientation (JUNE)
- Cost: None
- Prerequisite: New Residents in June

This 1-hour course is designed for surgical/obstetrical and dental residents participating in residency rotation in the OR. The class includes surgical attire/personal protective equipment (PPE) use, fire safety, consents, strategies to reduce surgical site infections and patient advocacy. This class is offered during Resident Orientation in June.

Dates Offered: By appointment ONLY

Contact Person
Ren Scott, RN
702-383-7326
Surgery Orientation for New Employees

- Surgery Orientation for New Employees
- Cost: Free for UMC employees
- Prerequisite: Participant must be hired into Surgery Dept

This 2-3 day mandatory course is designed to provide information about the Surgery Dept for all new employees. DAY ONE includes general information about procedures, processes, and protocols in the Surgery Department, while DAY TWO includes content specifically for perioperative Registered Nurses. DAY THREE (optional for some job descriptions) includes a self-guided, all-day tour of the Surgery Department designed to assist new staff members with department layout, and understand the roles and responsibilities of each unit (ASU, PACU, SPD, Main OR, Anesthesia, Endoscopy, and Trauma OR) within the department that contribute to perioperative patient care. Additional orientation activities include a mini-tour of the Surgery Department and the scavenger hunt.

Dates Offered: New employees are scheduled for this class
